VIDEO DIRECTOR with 17+ years leading video production from concept through delivery, specializing in translating complex technical subjects into compelling, human-centered stories. Proven ability to own creative vision for high-stakes launches, direct production crews with confidence, and deliver high-quality work under tight turnarounds. Eight years directing video for Apple product launches, keynotes, and campaigns. Hands-on experience as Director of Photography and editor. Thrive in fast-paced environments where timelines compress and priorities shift.

EXPERIENCE

PRODUCTION LEAD | CREATIVE ART DIRECTOR

Apple Inc., Worldwide Sales | Cupertino, CA | Sep 2022 - Nov 2025

- **Executive Sell-In Videos:** Directed 7 internal sell-in videos for senior leadership (Tim Cook approval) to greenlight next-generation AI tools transforming WW Sales processes, including strategic store planning, finance forecasting, on-device sales tools, and multi-million dollar retail fixture programs
- **AI Upskill Platform:** Led production of 60-video AI learning platform across 3 knowledge levels and multiple career paths; collaborated with AI Innovation team and instructional designers; iterated constantly as AI landscape evolved; soft launch Q4 2024, all-employee launch Q1 2025
- **Production Volume:** Delivered 75 yearly sales summit recordings, 50+ bespoke sales enablement stories annually, and quarterly product updates; led crews of 15-30 plus in-house team of 20 creatives; 6-12 week turnarounds from brief to publish
- **Video Prototyping:** Pioneered video-based prototyping to visualize AI products before app design existed; vision explorations influenced 2 customer-facing apps, including on-device sales tools that achieved double-digit conversion increase; helped leadership understand real-world user experience and avoid uncanny or problematic interactions
- **Technical Translation:** Met with program leaders to understand business needs and technology; transformed complex AI capabilities into product pitches, scripts, and explainer videos using live action, 3D, and motion graphics
- **Budget Performance:** Delivered 15-20% under budget consistently while maintaining quality; built scalable processes to meet rapid launch cadence
