SENIOR VIDEO PRODUCER & CREATIVE STRATEGIST with 17+ years in video production, post-production, and creative leadership across entertainment and technology. 8 years at Apple leading end-to-end video workflows from pre-production through final delivery, while evolving into a strategic creative partner — working upstream with business leads to map where creative drives measurable outcomes. Developed a repeatable creative development process (Discover, Distill, Build, Steer) that shaped content strategy across Apple's global sales organization. Deep knowledge of industry-standard production workflows. Proven ability to scale operations across global teams.

PROFESSIONAL EXPERIENCE

PRODUCTION LEAD | CREATIVE ART DIRECTOR

Apple Inc., Worldwide Sales | Cupertino, CA | Sep 2022 – Nov 2025

- Managed end-to-end video production pipeline for global sales organization: project intake, creative development, production, post-production, and final delivery across 100+ countries
- Steered implementation of short-term CMS and DAM solution for creative team during transition from on-prem file storage to global Apple platform; managed metadata tagging, version control, and asset organization
- Directed post-production teams including editors, motion designers, and colorists; approved visual assets for brand consistency and technical standards
- Implemented AI tools and workflow automation to accelerate development; reduced end-to-end production time by 35%
- Managed Frame.io-based review and approval workflows; ensured compliance with Apple brand guidelines, codec specifications, and format requirements

VIDEO LEAD FILMMAKER | DIRECTOR OF PHOTOGRAPHY

Apple Inc., Worldwide Sales | Cupertino, CA | Jan 2017 – Sep 2022

- Led camera, lighting, and production workflow specifications for multi-million dollar studio build; defined technical requirements including SAN-based shared storage architecture for editorial team
- Established post-production pipeline from ingest through delivery: media management, proxy workflows, color grading, audio mixing, and final QC in DaVinci Resolve and Premiere Pro
- Built and managed external post-production vendor ecosystem; scaled workflow capacity to meet accelerating production demands
- Performed hands-on color correction and grading for all video content; developed standardized production documentation and asset naming conventions

CO-OWNER & LEAD CINEMATOGRAPHER

Kensington Creative Inc. | Los Angeles, CA | 2014 – 2018

- Co-founded boutique production company; managed full production lifecycle for clients including L'Oréal, 7Up, Taco Bell, ABC Interactive, A&E, Warner Bros
- Designed post-production delivery workflows and managed vendor relationships; oversaw budgets from \$10K–\$200K with consistent delivery under budget

DIRECTOR OF PHOTOGRAPHY

Freelance | Los Angeles, CA | 2009 – 2018

- Shot 30+ feature films, commercials, and premium digital content for major studios: EA, Warner Bros, Universal, A&E, Sony Pictures
- Notable projects: God of War, Uncharted 4, The Last of Us 2, Bone Tomahawk, Carne Y Arena (Alejandro González Iñárritu VR)
- Pioneered immersive capture workflows for VR and performance capture; consulted with 3Ality Technica on stereoscopic 3D camera rig design; managed crews of 10–50+

TECHNICAL SKILLS

Editing & Post-Production: Adobe Premiere Pro, Adobe After Effects, DaVinci Resolve, Pro Tools, Final Cut Pro

Collaboration & Review: Frame.io, Shotgrid, Wrike, Monday.com, Airtable

Asset Management & Storage: DAM/CMS systems, SAN/NFS/SMB network storage, metadata workflows, proxy management
